As the COVID-19 pandemic continues, our "In-Person" training schedule is subject to change. To help ensure the safety of our employees and visitors, the following protocols are to be followed:

1. All visitors/employees are required to answer health questionnaire to confirm the status of their health before entering the facility.
2. All visitors/employees will have temperature checked each day before entering the facility.
3. Where social distance of 6' cannot be maintained, visitors/employees are required to wear face coverings.
4. Visitors/employees should follow all posted best practices while at NAE & NAE Automation's facilities.

Thank you for helping us keep our workplace safe!
